**學校通告 13 (2025-2026)**  
**季節性流感疫苗學校外展計劃安排**

敬啟者：

衛生署衛生防護中心指出，接種疫苗是預防季節性流感及其併發症最有效的方法之一。根據本地研究，流感疫苗可減少學童一半對流感疾病的發病風險。另有科學數據及研究指出，大多數與流感相關的嚴重併發症或死亡的兒科病例，均沒有接種流感疫苗。

而據本港經驗所得，學校參與外展疫苗接種計劃能顯著提高學童流感疫苗接種率逾一倍，至平均七成覆蓋率，有效加強學童免疫屏障。流感疫苗可減少學童缺課率，以及減少社區傳播。

故此，本校決定參加「2025/26 季節性流感疫苗學校外展計劃」。所有參與計劃之學校的學生(中一至中六)將透過公私營合作外展隊到校接種免費流感疫苗。

詳情如下：

1. 到校疫苗接種日期：2025年10月15日(星期三)
2. 時間：於早上課堂期間
3. 採用的疫苗種類：衛生署將會提供「滅活季節性流感疫苗(注射式)」
4. 接種地點：本校

煩請有興趣為子女接種上述季節性流感疫苗之家長，填妥本通告附上之同意書，並於9月11日(星期四)或之前交回班主任。

**SHUN LEE CATHOLIC SECONDARY SCHOOL**

**School Circular 13 (2025-2026)**

**Arrangements for Seasonal Influenza Vaccination School Outreach Programme**

8 September 2025

Dear Parents/Guardians,

According to Centre for Health Protection, Department of Health, vaccination is one of the most effective ways to prevent seasonal influenza and its complications. According to local research, influenza vaccination can reduce the incidence of influenza illness in schoolchildren by half. Furthermore, scientific data and studies indicate that most severe influenza-related complications or pediatric deaths occurred in children who had not been vaccinated against influenza.

Based on Hong Kong's experience, schools participating in the outreach vaccination program can significantly increase the influenza vaccination rate among schoolchildren by more than double, reaching an average coverage rate of 70%, effectively strengthening the immune barrier for students. Influenza vaccination can lower school absenteeism and community transmission.

Therefore, our school will participate in the "2025/26 Seasonal Influenza Vaccination School Outreach Programme" in the 25-26 school year. Under this program, all students (Secondary 1 to Secondary 6) from participating schools can receive free influenza vaccination through public-private partnership outreach teams.

Details are as follows:

1. Vaccination Date: **15 October 2025 (Wednesday)**
2. Vaccination Time: During morning class hours
3. Type of Vaccine Used: The Department of Health will provide inactivated seasonal influenza vaccine (injectable)
4. Vaccination Location: Our school

Parents who are interested in having their children vaccinated as above against seasonal influenza are kindly requested to complete the consent form attached to this circular and return it to the class teacher on or before September 11, 2025 (Thursday).

\* If students have **not yet registered for eHealth (醫健通) or are unsure if they have registered**, they can scan the QR code below for guidance on how to complete the consent form:
